From: ContourGlobal Limited, as Parent Guarantor,
as defined in the Indenture (as defined below)

To: Wilmington Trust National Association as
Trustee, as defined in the Indenture (as defined

Ref. Report (Section 4.03 (b) of the Indenture, as defined below)

Paris, March 12, 2024

Reference is made to the indenture dated as of December 17, 2020, by and among, ContourGlobal Limited (the "**Parent Guarantor**"), ContourGlobal Power Holdings S.A. (the "**Issuer**"), Wilmington Trust National Association (the "**Trustee**" and "**Collateral Agent**") and Citibank N.A., London Branch (the "**Paying Agent**", "**Registrar**" and "**Transfer Agent**") (the "**Indenture**").

Capitalized terms not expressly defined in this report (the "**Report**") shall have the meaning given to such terms in the Indenture.

In accordance section 4.03(b) of the Indenture, the Parent Guarantor hereby informs the Trustee and the Holders of the disposition by its Restricted Subsidiary, Compañía Eléctrica de Sochagota S.A. E.S.P., a 177MW coal-fired power plant in Paipa, Colombia, to Inversiones Andinas Diversas S.L. (the "**Sale**"). The transaction involves 100% of ContourGlobal's interest in the Sochagota power plant. This transaction marks a key milestone in ContourGlobal's commitment to stop generation from coal-fired power plants well before 2027 and accelerate the transition towards a cleaner, more sustainable portfolio primarily based on renewables. The Parent Guarantor further confirms that the Sale does not qualify as an Asset Sale under the Indenture.
